Kid's Ministry Lead Team Training following morning worship

FROM OUR CHILDREN'S DIRECTOR...

The spring semester is always so busy for us all, but for people like Clint and me, it is when we start truly diving into our camp preparations. If you were unaware, Clint takes the youth to Generate Camp and Super Summer, and I take the kids to Centrikid Camp. All three camps are an entire week, and full of Bible Study, Worship, games, fellowship, Church Group Devotion time, and so much more. The kids and youth spend those weeks at camp fully invested in the Word of God, learning so many new things about The Lord. Some kids and youth end up getting saved, rededicating their lives to Christ, or make a completely different milestone decision, while most walk away from their week at camp knowing so much more about The Lord than when they first arrived. However, it is costly for the kids and youth to go to camp, and that is why we have fundraisers. We do not want the price of camp to hinder any child or youth to go to camp.

There are many fundraisers that we do throughout the year at Highland for our kids and youth to raise enough money to go to camp. This year, Clint and I are collaborating to do one big fundraiser and we are calling it the "Highland Cookbook Fundraiser." For this fundraiser, we need your help in a different way because we need recipes! We all have a recipe that we love to make maybe because it tastes good, maybe because it's easy, maybe because it's your family's favorite dessert that they always ask you to make, or maybe because it's one of those quick meals that you can whip up in no time, whatever it is—we need those recipes. We need as many recipes as we can get by January 27.

If you have a recipe in mind, there are two ways that you can submit those recipes. 1- You can find an online form on our Facebook page, or 2- you can grab a paper copy from myself outside the nursery on Sunday mornings or from the Church Office. Fill out as many recipes as you want, but please submit the online form or turn in the paper copy to the church office by January 27.

But wait, there's more. On Sunday night, March 30 we are going to have a Cookbook Potluck. We ask that you bring the final product of the recipes that you submitted for the cookbook so that we can have a churchwide taste test of all the recipes that are in the cookbook. On that day, you will also be able to pay for and take home your Highland Cookbook! That way you can start cooking all the yummy recipes that our church family submitted to the Cookbook.

All proceeds that are raised for the cookbook will help the kids and youth in our church go to camp this summer. I hope that you have your recipes ready to submit to our Cookbook because I cannot wait to try all of those recipes out!

DERRICK DEGRATE

who's your **1**NE?

Imagine if every believer could answer that question with the name of a person who is far from God—a person for whom they're praying and with whom seeking to share the gospel. That's the intention behind Who's Your One. We believe God's people don't merely need another method for evangelism—what they need is a white-hot passion to see people who are far from God experience the new life He offers through Jesus Christ.

Over the coming days, our church and countless others will prioritize personal ownership of the Great Commission as we each intentionally pursue one person with the hope of the gospel. At times, it seems the mission is simply too complex and too vast for churches like ours and people like us. While we can't do everything, we can do something. We can all take responsibility for one. And, because of God's power and the work of His Spirit, each of our ones can add up to make a significant impact for God's kingdom.
