Each summer, the kids participate in Music and Missions Camp. We sing, we play, we craft and we do a mission project or two. This year, the kids will help pack “Heart to Hand Bags” for the homeless and they’ll pack our “Hope Packs” bags for the students at West Hills Elementary. You were so incredibly gracious to help us with our stock last year and the kids were able to pack 3 months worth of Hope Packs.

For a new mission this year, kids will also be packing “Heart to Hand Bags” and we will take them with us to Love’s Kitchen one morning while Fannie Johnson shares about the mission there. I think this will be an incredible hands on experience for the kids and it will be a way for them to see how many people serve the homeless.

LIBRARY UPDATE!

The library remodel is now officially complete and it looks great. Thank you to the many people who helped make it happen. I’d list them all here but I know I would miss someone; just know that many people helped to push it over the finish line. Stop by and check out a book. We have over 5,000 books to choose from. I’d like to say a huge THANK YOU specifically to Dr. Willie Greer for building another bookshelf for the library. He has built 2 and it makes a huge impact in the aesthetic and functionality of the library.
