The heavens declare the glory of God;
the skies proclaim the work of his hands.

Day after day they pour forth speech;
night after night they reveal knowledge.
They have no speech, they use no words;
no sound is heard from them.

Yet their voice goes out into all the earth,
their words to the ends of the world.

(Psalm 19:1-4 NIV)

Relationship

Objective

Move from fear, anxiety, apathy...
to recognizing science as part of the work
of God

Q?

- What is science?
- What is faith?
- What is your response when you hear about a “scientific breakthrough”?
- Which scientific discovery has had a personal (emotional) impact on you?
- What is one question about the relationship between science and faith you would like to hear discussed?

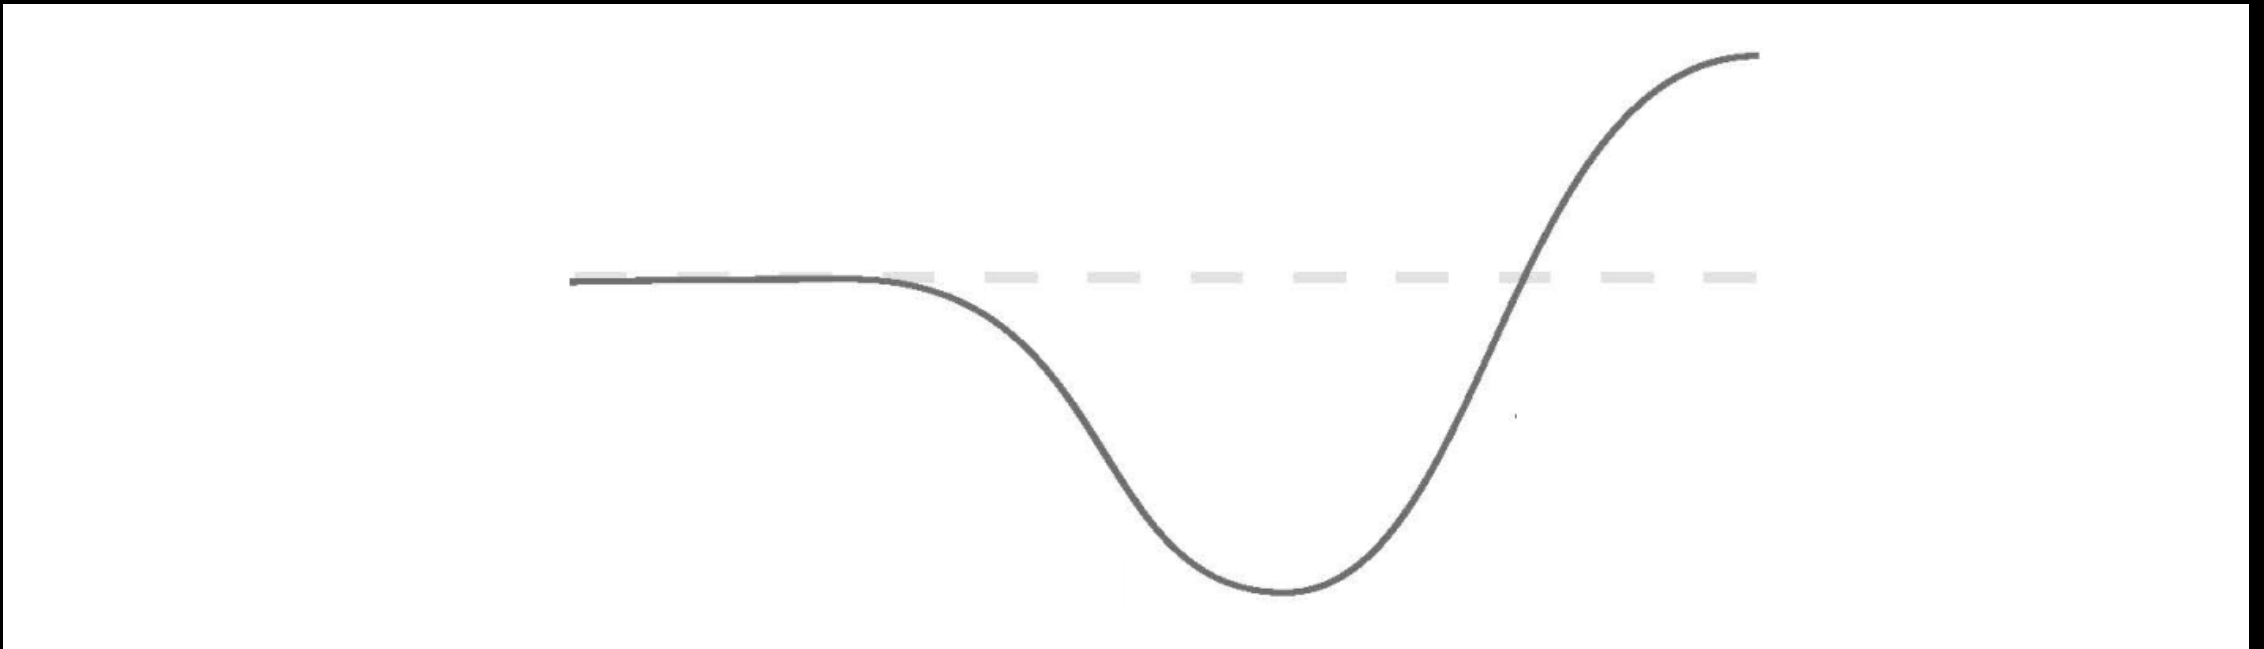

Q?

- What challenges/concerns do you see between science & faith?
 - Origins?
 - Evolution?
 - Miracles?
 - Ecosystem?
 - Humans playing God?

Q?

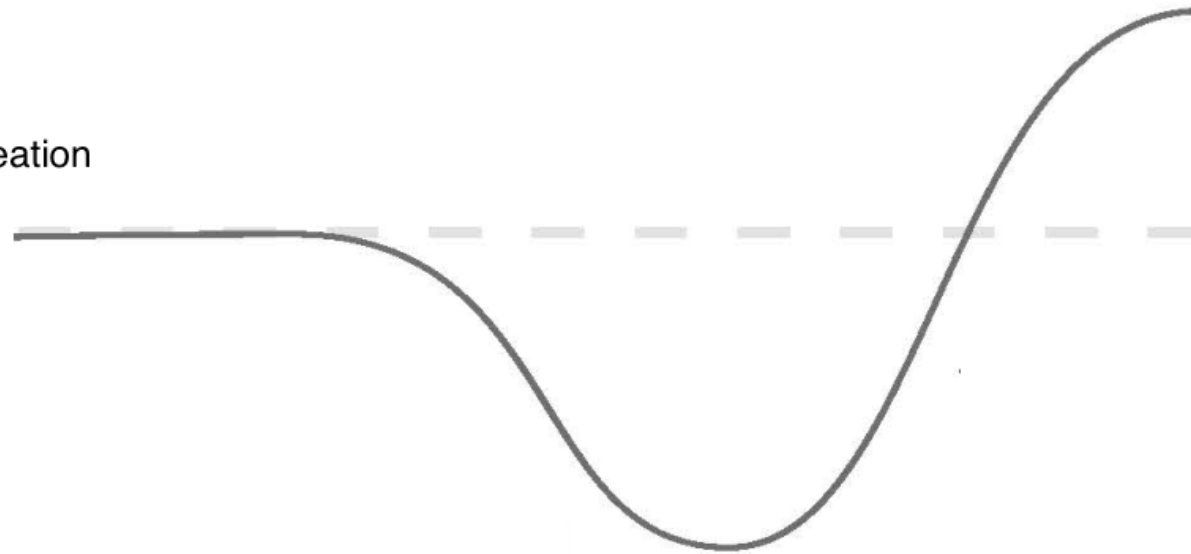

- Are science and faith in conflict?
- Does science make faith irrelevant?
- Can science make faith come alive?
