

Walking Rosary

*A place to Walk,
Reflect and Pray*

My name is Joey Connelly, and I am an Eagle Scout candidate with Boy Scout Troop 71 in Brookfield. As part of earning the rank of Eagle Scout, each Scout must organize and complete a service project that benefits their community. For my project, I wanted to create something meaningful that would leave a lasting impact on my community. I chose to create a Walking Rosary in the St. Dominic Prayer Gardens. The walking rosary will be made from pavers, set in the ground, placed in the shape of a rosary around the statue of St. Dominic, creating a path where individuals and groups can walk, reflect, and pray.

Project Date: August 29/30

Location: St. Dominic Prayer Garden

Sign-up:

St. Dominic has been a part of my life for as long as I can remember. I attended St. Dominic School from K3 through 8th grade and by growing up in this parish, I have learned and shaped my faith, leadership, and service. The Prayer Gardens are a special place that continues to grow with each new addition, reflecting the parish's dedication to faith, service, and community. By adding a Walking Rosary, my project will continue to work toward the parish mission "To seek Christ, know Christ, and become Christ, each one for the sake of all."
