## WHY THIS ROLE MATTERS

Flatirons isn't just another church, and this isn't just another job. We're building something that demands attention and drives action. If you have a desire to help build a "No Matter What, No Matter Where" culture that inspires others to follow Jesus, we want to hear from you.

### RAW AND REAL. FUN. INNOVATIVE

We are looking for someone who believes that our mission of bringing the awesome life of Christ to people in a lost and broken world is most effectively accomplished by creating expressions of the church body in multiple locations, such that people can be fully engaged in a truly local way. The Campus Pastor (CP) carries the responsibility of replicating the culture of Flatirons at the local campus level. To replicate, the CP is tasked with the oversight and implementation of the core ministries that are consistent across all campuses. In addition, the CP is responsible for creating and innovating in ways that propel the mission and vision to reach lost and broken people, beyond the areas of core alignment.
