[worship session at the kesha]

The night vigil event was anchored on Amos 9:11-15, which reads:

"In that day I will restore David's fallen shelter—I will repair its broken walls and restore its ruins—and will rebuild it as it used to be, so that they may possess the remnant of Edom and all the nations that bear my name," declares the Lord, who will do these things. "The days are coming," declares the Lord, "when the reaper will be overtaken by the plowman and the planter by the one treading grapes. New wine will drip from the mountains and flow from all the hills, and I will bring my people Israel back from exile. They will rebuild the ruined cities and live in them. They will plant vineyards and drink their wine; they will make gardens and eat their fruit. I will plant Israel in their own land, never again to be uprooted from the land I have given them," says the Lord your God.

KESHA

On the 10 TH of March, several churches came together to participate in a night vigil event focused on the theme of restoring God's glory in the Church. The event, which was a worship experience, was hosted by the FIC and Imani staff team, and featured different Churches joining together to seek restoration.

The preacher for the night was Apostle Nashon Mwakazi, who delivered a powerful message on restoring God's glory in the Church.

He spoke about the need for the Church to return to its original purpose and focus on glorifying God in all that it does. The attendees were encouraged to seek restoration in their personal lives as well as in their Churches, with the goal of bringing glory back to God.

[Praise session at the kesha]

[The church kneeling and praying]

The attendees were reminded that despite the current state of their lives or the nation, God is a God of restoration. The Bible verse from Amos 9:11-15 served as a beacon of hope, reminding them that God has promised to restore everything that has been lost or broken. Overall, the night vigil event was a powerful worship experience, with different Churches joining together to seek restoration and revival in the Church. The attendees left feeling empowered to seek restoration in their personal lives and in their Churches, with the goal of bringing glory back to God. 2 people gave their lives to Jesus!

Lodwar Water Project

Imani Lodwar Campus is in Turkana County which lies within the arid and semi-arid regions of Kenya. It experiences low annual and erratic rainfall, with very high temperatures and high evaporation rates. The water resources in the area are not well developed and as a result, the county faces both physical and economic water scarcity.

The gift of clean water is something that many of us take for granted. However, in some parts of the world, access to clean and safe drinking water is a luxury that is not readily available. That is why the water project initiated by Imani Ministries is such a blessing to the people of Lodwar.

Thanks to the collaboration of Panacea Chocolates of Anne and Brent Thurmond and Faith Radio for their generous donations that has made this project successful. Imani Ministries offered space and implementation of the project at its Lodwar campus. The project began in February, and after months of hard work and dedication, a 50-meter water well was successfully drilled.

The project team conducted geological surveys and obtained the necessary permits from both the central and county governments. Good quality water was found at the depth of 50 meters, and a sample of the water was sent to the government laboratory for testing, which confirmed that it is fit for domestic use.

The team also installed a solar pump and panel kits with a fabricated water tower. Currently, the piping is ongoing, and soon, the water will be available for more than 200 households within the Imani campus.

[Turkana women travelling far in search for water]

As we reflect on the blessings that this project will bring to the people of Lodwar, it's essential to remember that the Bible teaches us the importance of helping those in need, especially during times of drought and famine as it is in Turkana. Isaiah 41:17-18, "When the poor and needy seek water, and there is none, and their tongue is parched with thirst, I the Lord will answer them; I the God of Israel will not forsake them. I will open rivers on the bare heights, and fountains in the midst of the valleys. I will make the wilderness a pool of water, and the dry land springs of water." The Lord has indeed used Imani Ministries and her partners to answer to the needs of the locals around the globe.

The Imani Ministries water project is an excellent example of how we can come together to bless others in practical and life-changing ways. We are grateful for all those who supported this noble cause, and we pray that this water project will be a source of blessing to the people of Lodwar for many years to come and that through this project lives will be transformed.

James 2:14-17 - "What good is it, my brothers and sisters, if someone claims to have faith but has no deeds? Can such faith save them? Suppose a brother or a sister is without clothes and daily food. If one of you says to them, 'Go in peace; keep warm and well fed,' but does nothing about their physical needs, what good is it? In the same way, faith by itself, if it is not accompanied by action, is dead."

We are grateful for the Thurmond's through Panacea Chocolates, Scott through Faith Radio and Imani Ministries in Africa. The linkage and networks has surely born fruits for the glory of God.

FIC SERVICES

In our sister ministry, Faith Interdenominational Church, We had an incredible month of Sunday services in March, with 5 people giving their lives to Christ after hearing powerful sermons from our pastors.

We are thrilled to see so many individuals responding to the call of salvation, and we are excited to see what God has in store for their lives.

As we continue to journey through the year of restoration and abundant increase, we believe that God is going to do great things in our church and in the lives of those who call this place their home.

We are grateful for the opportunity to gather together each week to worship, learn, and grow in our faith.

We invite you to join us for our upcoming services as we continue to seek God's plan for our lives and for our community. Let us come together in unity and in a spirit of expectation, believing that God has great things in store for us. We look forward to seeing you there!

UPCOMING EVENTS TO LOOK OUT FOR

Apart from building your faith in Christ Jesus Imani radio and TV ministries is rooted in helping the needy in the society therefore, we are excited to announce our upcoming mission to help those who are facing starvation due to the long drought season in Kenya for the last 5 years. This mission is a call to action for all members of our community to contribute and pray for the success of this effort.

The mission will run from April to May, and our goal is to provide food and other necessities to those who are in desperate need. We believe that through our efforts, we can make a positive impact on the lives of those who are suffering.

We invite you to join us in this mission by contributing in any way you can. Whether it's through financial donations or by volunteering your time, every contribution makes a difference. We also ask that you join us in prayer as we work towards this important cause.

Let us come together as a community to make a difference in the lives of those who are facing unimaginable hardship. Together, we can make a positive impact and bring hope to those who need it most.

TESTIMONIES

Mary Kimani - I was struggling with addiction to drugs and alcohol for many years. One day, while flipping through the channels on my TV, I stumbled upon a sermon on Imani TV. That sermon changed my life. I was inspired to seek help and turn my life around. Today, I am clean and sober, and I thank God for using Imani TV to speak to me in my darkest hour.

Joseph Muge- I was going through a difficult time in my life when I stumbled upon Imani Radio. I was suicidal and was at the verge of giving up when I heard the message of hope from Imani radio while I was at the Agro-vet to purchase poison that I would use to end my life. The teachings and encouragement I received from the radio ministry helped me to see that God was still with me, even in my darkest moments. I went home feeling better and the suicidal thoughts have left me, Today, I am a faithful listener of Imani Radio, and I am grateful for the impact it has had on my life.

Ezekiel Wanjala -I had been struggling with unforgiveness towards a family member for many years. One evening, as I was travelling the driver was tuned to Imani radio and there was a sermon going on about the importance of forgiveness. That message convicted me and helped me to see that I needed to let go of the bitterness and anger I had been holding onto. I was able to forgive my family member, and my heart has been filled with peace ever since.

Emily Adhiambo -I had been struggling with a chronic illness for many years, and I had lost hope of ever being healed. One day, while listening to a prayer session on Imani Radio, I felt the presence of God in a powerful way. I sent my prayer request and while the session was going on I received healing that day, and I have been completely free from my illness ever since. I am grateful for the ministry of Imani Radio and the power of prayer.

John Kariuki -I was in a season of financial hardship when I came across a teaching series on Imani TV about financial stewardship. The teachings were practical and biblically sound, and they helped me to get my finances in order. Today, I am debt-free and financially stable, and I attribute my financial turnaround to the teachings I received through Imani TV.
