

Monthly Newsletter

Hello there!

You have helped us create a world of transformation, where faith comes alive and lives are changed. Through your prayer and support we have been able to win more souls to Christ while bringing you closer to the heart of GOD and Imani Ministry.

In the month of July, 3 individuals made a life-changing decision to accept Jesus Christ as their Lord and Savior during the kesha event and 34 individuals embraced the message of salvation, choosing to embark on a new journey of faith after Missions.

JULY KESHA

Every second Friday of the month, the Imani Ministries Kesha takes place, and the July edition was a night to remember. Filled with powerful worship and an inspiring message, the event brought together various choirs and believers to celebrate the faithfulness of God. With Pastor Moses Juma from Bcc Church as the speaker, the theme for the night was "Faithfulness of God to Honor His Children," with the scriptural foundation drawn from Joshua 21:45 and Genesis 21.

Pastor Juma emphasized God's unwavering commitment to fulfill His promises to His children. He shared moving testimonies and personal experiences of God's faithfulness in his life, which further strengthened the congregation's faith.

During the testimony session, members of the congregation shared their experiences of God's faithfulness in their lives. One notable testimony came from a member who spoke about their decision to give generously to God and His ministry. *This act of faith inspired over 30 people in attendance to pledge towards supporting the ministry.* The spirit of giving and gratitude permeated the atmosphere, highlighting the impact of faithfulness and obedience.

EVANGELISM

In a resounding display of dedication and faith, Imani Ministry, in collaboration with our sister ministry Faith Church-Kitale, undertook a momentous door-to-door evangelism campaign that stands as a testament to our commitment to touching lives and fostering spiritual growth. On July 29, 2023, a team of 33 passionate missionaries embarked on a journey of spreading hope and salvation.

The objective was clear: to bring the message of God's love and transformation directly to the doorsteps of our community members. Dividing into strategic groups, the missionaries covered four distinct areas adjacent to our ministry grounds: Mandizini, Mt View Estate, Crane Point, and St. Joseph's area.

The impact of this initiative was profound and immediate. With warmth and compassion, our missionaries engaged in heart-to-heart conversations, sharing prayers and the Word of God with 76 households in total. The response was overwhelming, as families opened their homes and hearts to receive the message of hope.

Through these interactions, 34 individuals embraced the message of salvation, choosing to embark on a new journey of faith. Yet the reach of this campaign extended far beyond the number of salvations. Many more found solace, encouragement, and renewed optimism in the face of life's challenges through the power of these connections.

Preceding the mission was a gathering of the missionaries, a moment of unity, and spiritual preparation. In this sacred space, prayers were lifted, and the Word was shared, instilling a sense of purpose and conviction in each participant. Armed with the divine calling to be agents of change, the missionaries set out on their transformative expedition.

As the day drew to a close, the ministry and its missionaries reconvened to share the tales of their encounters. The atmosphere was electric with testimonies of changed lives, newfound faith, and the palpable presence of God experienced during the visits. A shared meal provided not only nourishment but symbolized the bond formed among the missionaries and the lives they touched.

The true impact of this endeavor transcended the immediate results. The following Sunday, the congregation witnessed a heartening sight – individuals who had been reached during the door-to-door evangelism campaign walked through the church doors, drawn by the light and love they had encountered. This was a tangible reminder that personal connections and genuine care have the power to inspire lasting change.

Radio Waves of Transformation

"Imani Radio became my daily companion, a beacon of hope that transformed my life." - Jane

"I am a single mother of two, I was grappling with the challenges of life, feeling isolated and overwhelmed. One day, I stumbled upon Imani Radio during my commute. The messages of faith and encouragement resonated deeply within my heart. Listening to the radio became a lifeline. The sermons, the worship songs – they touched me in ways words can't explain. Slowly, my perspective shifted, and I began to find strength in my faith. Today, I stand stronger, more hopeful, and connected to a community that cares."

Knocking on Doors, Opening Hearts

"Their visit was a turning point, a divine encounter that led me back to my faith." - John

"I was struggling with personal setbacks and found myself in a state of spiritual emptiness. One afternoon, a team from Imani Ministry knocked on my door during a door-to-door mission. Their warmth and genuine concern touched me. We spoke about life, faith, and God's love. Their visit wasn't just a coincidence; it was a turning point. I started attending church again and rediscovered the purpose I'd been missing. God used their presence to guide me back to the path of hope."

A Night of Transformation

"The Kesha night was a divine appointment, where God's love enveloped me." - Grace

"I have been dealing with grief and a sense of isolation after the passing of my husband. Attending the Imani Ministries Kesha event was a decision I made hesitantly. That night was different. I felt a tangible presence of God's love. During the testimony session, someone shared about overcoming loss, and it was like they were speaking directly to my heart. I knew I wasn't alone. I found myself weeping, releasing the pain I'd held onto for so long. The Kesha was my sacred space of healing and renewal, where God's love enveloped me in a way I'd never experienced before."
