

H O N D U R A S

2026 ANNUAL MISSION APPEAL

CELEBRATING 18 YEARS WITH OUR MISSION PARTNER!

We are renewing our commitment to improving the student's education and to keep preparing them to have a brighter future. Because of your generosity, lives are being changed through the work of our mission program in HONDURAS every single day.

HIGHLIGHTS

- Last year 91 students graduated from the Technical Institute. Many of them received their Confirmation.
- Our Bilingual school expanded to 10th grade
- Over 450 students in Technical Institute improve their skills in the workshops. One fourth of will be part of the Advanced Education Program which will give them better education, leadership skills, and more complete technical skills

GOALS for the coming year.

- They will start celebrating Mass on campus once a month and offering catechesis.
- We will promote our new Higher Health Education Scholarship program for nursing and other health programs.
- We will develop a Program to support the start of Small Businesses for graduates.

THANK YOU for believing in this mission
Your generosity is more than a donation — it is ministry.
Together, we are bringing hope, serving people in need, and making an eternal difference.
