

## **Kids' Corner Preschool Earns National NAEYC Re-Accreditation**

*Program recognized among the top in the nation by earning accreditation*

**Kids' Corner Preschool** located in **Clearwater** has earned re-accreditation from the [National Association for the Education of Young Children](#) (NAEYC)—the world's largest organization working on behalf of young children.

NAEYC Accreditation is a rigorous and transformative quality-improvement system that uses a [set of 10 research-based standards](#) to collaborate with early education programs to recognize and drive quality-improvement in high-quality early learning environments. "We're proud to have earned the mark of quality from NAEYC, and to be recognized for our commitment to reaching the highest professional standards," said Roxane Fineo, Director

To earn NAEYC Accreditation, **Kids' Corner Preschool** went through an extensive self-study and quality-improvement process, followed by an on-site visit by NAEYC Assessors to verify and ensure that the program met each of the ten program standards, and hundreds of corresponding individual criteria. NAEYC-accredited programs are always prepared for unannounced quality-assurance visits during their accreditation term, which lasts for five years.

In the 30 years since NAEYC Accreditation was established, it has become a widely recognized sign of high-quality early childhood education. More than 6,000 programs are currently accredited by NAEYC—less than **10 percent** of all childcare centers, preschools, and kindergartens nationally achieve this recognition.

"NAEYC-Accredited programs have committed to a process that takes time, energy and dedication to complete" states Alissa Mwenelupembe, Senior Director Early Learning Program Accreditation. " **Kids' Corner Preschool** has demonstrated their commitment to young children and their families."
