  - **Remembrance – 1:8–11**

# APPLICATION DISCUSSION

1. Consider Nehemiah's response to the sad news—how do you respond when hearing sad news about the church? How do you guard your heart from despondency or cynicism?
2. When was the last time you prayed for believers in other churches? Denominations? Countries?
3. What makes persisting in prayer hard? How can we find encouragement to persevere?
4. What promises do you turn to in Scripture?
