

This Year's Speaker:

We are so excited to welcome back Gary Gilbertson this year!

Gary was a pastor for 22 years before founding "Prepare Ministries" which mentored college students. He was a part of a Saturday Morning TV show for children Called "Noah's Ark" and has wrote numerous children's songs and skits. Gary really has a heart to see children and youth find a relationship with the Lord and we are so excited to see him back this year!

## A REAL KINGDOM

### Camp Focus:

Noah knew the Lord had A REAL KINGDOM so when the Lord told him to build a huge boat in the middle of the desert, he decided to put his Faith in the Lord and he obeyed. Even though many people didn't understand, he stood out in faith and chose to follow God and please Him over People.

Come learn about putting your faith in A Real Kingdom at camp this year....Let's learn about what exactly FAITH is, How do we know the Lord's Kingdom is REAL, and the Importance of pleasing God over People.

An average day at camp consists of:  
3 meals, group activities, worship, sessions, workshops, free time, snacks, water fun, and bonfires.
