Luke 5:17 - 32

ROY FRUITS SENIOR PASTOR

Attitudes toward spiritual explorers:

We must see people who have never trusted Jesus as helpless and Jesus as their only hope.

By faith we know God will honor our efforts.

We must be willing to move into the mess.

Actions with spiritual explorers:

Be intentional.

Take the risk of stepping out of your comfort zone because you care.

Make time with the goal of building trust.
