NEEDS

DISASTER ASSISTANCE- JAMAICA

Recently Hurricane Melissa hit Jamaica, Cuba & Haiti. It caused considerable damage to our Church of God people and church buildings. The hardest hit seems to be Jamaica. The Church of God in Western Canada is receiving funds to help our fellow Christians in these countries. If you wish to donate you can give to East Side with memo "Hurricane Melissa Relief" by December 15th.

- An estimated 55 of the 110 Church of God congregations are located in areas of the island which were hard-hit by the storm.
- At least one life within the Jamaican Church of God was tragically lost when a tree fell on a woman's home during the storm.
- At least 1,642 Church of God people have been identified by Jamaican leaders as being in need of aid at this time; many of these people have been displaced from their homes. Thousands more, both in the churches and surrounding communities, need long-term recovery assistance.
- At least 19 Church of God congregations have reported direct loss and damage to their buildings—ranging from roof damage to total loss. Some of these buildings are pictured here.
