Sermon on fasting

Ahead of the work to be done with planting a campus in Gull Lake and Cypress Hills, the church leadership is asking people to fast and pray. We see this example in scripture, specifically Acts 13:1-3 where the church dedicated themselves to fasting and prayer before sending Barnabas and Paul out into the mission field. We are hoping that for the month of July we would have a person, or multiple people pray and fast one each day of the month. We are asking people to sign up for one or multiple days to pray for favor in these communities, opportunities to serve and share Christ, and that spiritual ground would be softened towards the Gospel. We are encouraging people to do the 6-6 fasting method where one fasts for the day, but ends it at supper. Use the QR code to sign up for a day, or the paper calendar found at the connect desk. If you would like a further explanation and teaching on fasting, please use the QR code below.
