

Hello everyone!

We want to say a huge thank you to all of you that have supported our work with Teach Beyond both in prayer as well as financially – your generosity has made a real difference in our life and the lives of those we serve.

If you have been considering joining our team of partners, now is a great time. Your support, no matter the size, helps us reach more hearts and continue the work that God has called us to do. More specifically, we sense God calling us to move and serve as missionaries in Romania. Our goal is to move in September of this year. Many of you are already praying and supporting us financially in our roles with Teach Beyond. Our goal is to continue serving in these roles while also adding onto them by starting an after-school kids club in which we provide free tutoring for kids in need in the community as well as mental health workshops for kids, parents, and community members.

One of our biggest needs that we have is to raise our full financial support of recurring donations. We are in need of 17 more monthly supporters. The graphic that you see on this insert gives you an idea of the specific support that we need to be able to cover our basic living costs.

Would you prayerfully consider partnering with us both in prayer as well as financially in this ministry that God is calling us into.

Thank you for all your love and support,

Sincerely,

The Archer Family
