Take a moment to hear an [update](#) from Michael Beaumont from Agora Search Group. Agora Search Group has had almost 90 candidates apply for this role. Our Search Committee has been given candidates and has been reviewing their profiles and message content. This past week our Search Committee entered a new phase of the search and had its first virtual interview with a candidate. As Michael mentioned, remember in this season:

- BE PATIENT
- BE PRAYERFUL
- GET PUMPED

Continue to pray for the Agora Search Group, our Search Committee, and the candidates. If you have any questions, you can direct them to searchcommittee@ehills.org.
