Phil and Alyssa have been involved in a mutual discernment process with a church on the west coast to determine if he is the right fit to become their next Senior Pastor. This was not a job that Phil sought out or actively applied for but one that was presented to him and he has been prayerfully considering it for the past few months. Phil has kept key elders and our directional leadership team on staff updated throughout the process and we are all praying for discernment for Phil & Alyssa and the churches involved.

Phil, Alyssa and their family will travel as a part of this process to preach and visit on the weekend of November 5th and 6th. This weekend will serve as an opportunity for the potential church and the EuBank family to discern if God is calling them together in this next season of ministry.

While we're surprised by the news, we know God is unshaken and that He has the situation under control. As Eastern Hills celebrates our 40th anniversary this year, we know God has blessed us in countless ways and we are confident that he will continue to do so.

Would you join us in a couple of ways? First, can you pray for Phil & Alyssa that they would continue to be led by God and would follow His voice? Pray for the staff and leadership at Eastern Hills - that we would be mindful and steadfast in our year-long focus of becoming Resilient Kingdom Citizens. And pray for our community as we navigate the unknown together.

Our commitment is to be as open and transparent as possible. When we have information, we will share it with all of you.

For the Kingdom,
The Elder Board
