Spend Your Energy Seeking Eternal Life

John 6:25-29

Especially as I get older, I recognize the limits of my energy. But when I see children and teenagers zonked out (like after camp), I know they have limits too. So it seems foolish not to spend our energy on things that will last – that's what Jesus said too.

1. Mark the number of times you hear these words:

Appetite –

Desire(s) –

Satisfy, satisfied, or satisfaction –

2. What was the purpose of the Passover celebration?

3. How did people around Jesus reveal their consumeristic mentality?

4. Danger #1: The danger of the _____

5. Why were the majority of people following Jesus?

6. What can Christian consumerism look like?

7. Danger #2: The danger of a _____

8. What is true about satisfaction?

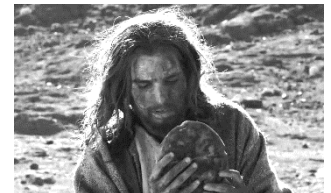

9. What has God given us through Christ?

10. Danger #3: The danger of _____

11. What did the marsh mellow test reveal?

12. How does living in light of eternity change our lives?

13. Danger #4: The danger of _____

14. Why didn't Jesus just keep miraculously feeding the people – that's what they wanted?

15. What did Jesus reveal through how He handled His temptation in the wilderness?

16. How can we as church help one another in a consumeristic world?
