

Sunday AM Sermon – October 29, 2023
Remember Lot's Wife!
Luke 17:26-33

It's significant how many times God refers to people and events in Scripture and urges us to REMEMBER! Abraham, Isaac, and Jacob were to be remembered. Tobiah and Sanballat were to be remembered. David was to be remembered. Lot's wife was to be remembered.

1. Mark the number of times you hear these words:

Lot –
Wife –
Sodom –

2. What do parousia, eschatology, and apocalyptic have to do with?
3. What was the Pharisees' question for Jesus?
4. Why were the cities of the plains going to be destroyed?
5. Why did Lot's wife hesitate?
6. Lesson one: To _____ our _____
7. What was missing as people of Noah's day and Lot's day went about their business?
8. What deep problem does 2 Peter 3 reveal?
9. How did Lot feel about Sodom? How did Lot's wife feel about Sodom?
10. Lesson two: That _____ will come during our _____
11. Because it's offensive, what do some people do with the idea of judgment?
12. What are we to learn from Jesus' examples of the flood and the destruction of cities on the plain?
13. What's so dangerous about removing God from our consciousness?
14. Lesson three: That there's _____ in this life
15. What happens when God is not first in our lives?
16. What should we do with things that are not eternal?
17. What is usually the root cause of unbelief?

Faith Talk, Faith Walk

Spend time with family or friends (maybe over a meal or during a family devotional) discussing the following related to the sermon

Faith Talk: In your own words, why was Lot's wife to be remembered?

Faith Walk: Indeed, the "right time" is now. Today is the day of salvation (2 Corinthians 6:2, NLT).

If you are here and have been touched or convicted by something said or done today we would love to study the Bible with you and introduce you more fully to our Savior, Jesus Christ. Just call the church office at 795-4377 and we will set something up. God bless you!
