Growth Group Homework – September 17, 2023

Warm-Up

1. History is full of stories of ordinary individuals who were used by God to bring meaningful change in the world. Does this seem attainable for you? Why or why not?

Talk it Over

2. What in the message did you find challenging or helpful?

3. At Seabreeze we have the Seven Heart Attitudes. The Heart Attitudes are seven action statements that summarize the New Testament's teaching on how God wants us to treat people and relate to the church. Heart Attitude #1 is *Put the goals and interests of others above my own*.

- What are five ways in which people put themselves first?

- Come up with at least ten examples of Heart Attitude #1 in action.

4. Summarize what each of the following verses say about how God wants us to treat other people.

Matthew 20:26-28

Luke 14:7-11

1 John 3:16-18

5. What do you think are some of the common objections that people have to the ideas presented in these verses?

6. When Bevan talked about the actions of early Christians, he said, "We should be motivated by the same thing, charity for the neighbors we know and the ones we don't know." For your own life, give some ways you can apply Heart Attitude #1 at work, home, and/or church?

Take It Home

7. The application from the message was to 1) Tell other people that you are sick so they can help you, 2) Care for people who are sick in practical ways even if you aren't a medical professional.

- Which of these do you need to practice?

- Can you think of any obstacles to practicing it?

The **Basics of Following God** class is Sunday, September 25, at 10:30 am in the Warehouse. You will learn important practices that will help you gain traction in your walk with God.
