Growth Group Homework

Warm Up

1. Describe the importance of a parent correcting their child when raising them. What happens if they don't correct them?

Talk it Over

2. What in the message did you find interesting, challenging or helpful?

3. Andrew mentioned that practicing Heart Attitude #3 is a risk. What are some of the risks?

4. What are some of the ways *putting the goals and interests of others above my own* (HA1) and *living an honest and open life* (HA2) allow for Heart Attitude #3 to happen?

5. Read Hebrews 3:12-13. What do these verses reveal about our hearts?

- In Verse 13, “encourage” (NIV) or “exhort” (ESV) translates a Greek word which basically means “to urge a person toward some future conduct.” As we consider correcting another person, our concern is not simply correcting a past wrong but to help them build a better future. Why is this important to remember when you are considering offering correction?

- Can you think of an example when this was done well?

6. Think back through Sunday's message and what we've discussed, then answer the questions in the following scenarios.

Scenario 1: You observe a friend at church on at least two occasions speaking to others in a sarcastic, humorous, yet put down way to get a laugh. You want to speak to them about how this behavior is not pleasing to God and potentially hurtful. What are some important considerations? How could you approach this?

Scenario 2: A co-worker speaks to you about a behavior they've observed in you that they believe is wrong and needs to change. Before you respond, what are some important considerations? How could you respond to them?

Take it Home

7. What can you do this week to apply Heart Attitude #3?
