Sermon-based Discussion Questions

1. Read Romans 15:14-22. In verse 14, Paul gives a very positive evaluation of the church at Rome. Some churches didn't receive such high praise from him (See 1 Corinthians 5:1-2; 11:17-19 and Galatians 3:1). How do you think Paul might describe our church?
2. In verse 15, Paul talks about reminding them of the gospel truths. How can we do that for one another today? Have you ever had a time when you benefited from being called back after starting to drift away? What does this say about being an active part of a local church?
3. How would you describe Paul's life's passion (see verse 20)? How do you think that relates to the passion of God the Father and of Jesus? (See Luke 15, Luke 19:10 and Mark 2:17) What things are you passionate about?
4. How would you describe the difference between individuals who are unreached and living in a reached area, versus an unreached people group? What are some examples of each? What differences might there be in reaching them?
5. What is our church's responsibility for reaching the unreached in the Bemidji area? How is our church presently involved in reaching those people?
6. Where do you think most unreached people groups live? How can our church be involved in reaching them? How can individuals take part in reaching the unreached?
