Source Text: Acts 13:1-3

Speaker: Corey Newman

Date: July 13, 2025

Sermon Points:

Unity in the Church: Identity in Christ

Ministry by the Church: Local Flows to International

Sending from the Church: The First Missionaries

Discussion Questions:

1. What keeps a church from having true unity? What are the barriers to unity?
2. Do I derive my identity from Christ? If not, where do I find my identity?
3. Am I being faithful within my local church in fulfilling the Great Commission?
4. What am I doing to help “hold the rope?” What can I do to help missionaries and support missions?
5. What lessons can I personally, and DBC as a church, learn from the example of the church at Antioch about ministry and missions?
