

The Intentional Christian

Source Text: Colossians 3:1-4

Speaker: Mike Scheer

Date: October 19, 2025

Sermon Points:

1. Intentionally SEEK things above
2. Intentionally THINK things above
3. Three reasons an intentional internal priority of Christ is the best way to live

Discussion Questions:

1. What are common things people seek in our culture today?
2. What patterns of “seeking” do you see in your life? What does your heart seek, and how can that best be found in Christ?
3. Where do your thoughts go when you are daydreaming, driving alone in a car, or going to sleep?
4. How can we intentionally seek and think about Christ at Denton Bible Church? Are there ways we can be more intentional corporately?
5. What are one or two things you can do to more intentionally seek and think of Christ in your life?
