

“Teenology”

Source Text: Acts 20:7-10

Speaker: Tommy Nelson

Date: July 12, 2026

Sermon Points:

Does this teenager sound familiar?

1. He's in church
2. With his parents
3. Sitting in the outskirts, in the balcony
4. On the edge, in the windows, between the light inside and the darkness outside
5. Sleeping in the sermon
6. And he fell into darkness
7. And he was in danger because he was 3 stories high
8. He died

Paul stopped the service and

1. Ran to him
2. Fell on him
3. Gave him life
4. Restored him to his parents, church, and God

The old apostle is mighty toward the new generation.

Christ meets the deepest needs of man at every point of his life.
