

## Student Internet Agreement 3rd – 12th Grades

### Parent/Guardian Section

PHCA promotes and integrates technology and Internet use into its educational program. As technology advances, we will need your partnership to ensure the safety and well being of your child. Technology is a valuable tool if used properly and responsibly. A PHCA domain email account is issued to 3rd-12th students for educational purposes using, but not limited to online platforms like Zoom, Google Classroom, Quizlet, Kahoot, etc. This account will allow your child to receive, participate in, collaborate and submit assignments through various websites and applications. Our goal is to equip your child with the skills needed to advance in school and into their future careers. By signing below, I acknowledge I have read and understand that:

- I/We must read the Student Internet Acceptable Usage Policy (AUP) revised 7/2023 on the PHCA website.
- My/Our child, \_\_\_\_\_, will be using the Internet according to the Student Internet (AUP). He or she will be using their PHCA email account as needed to join/login to Google & various applications for necessary educational purposes using online platforms. Parents should know and keep record of your child's email and password.
- PHCA's domain is school-managed. "Forgot Email Password" must be manually reset by the system administrator. ***Parents/Guardians will be charged a reset fee if password is needed to be reset more than two times.***
- I/We hereby release Techno Kids & Pearl Harbor Christian Academy, its personnel, and any institutions with which it is affiliated, from any and all claims and damages of any nature arising from my/our child's use of, or inability to use, the Internet. This includes, but is not limited to claims that may arise for any unauthorized purchases.
- I/We will also discuss with my/our child the rules set forth in the Student Internet AUP and any additional personal rules I/we feel necessary that are above and beyond the rules set forth in the Student Internet AUP.
- I/We will emphasize to my/our child the importance of following the rules for their personal safety.
- I/We understand that my/our child's use of a school-issued device, internet access at school and/or PHCA email account may be terminated for violation of the Student Internet AUP.
