

February 21, 2025

Dear Parents,

Today we reviewed and finished through half of Exodus 30, focusing on the furniture in the outer portion of the tabernacle. This includes the bronze altar for animal sacrifice, the gold altar of incense, and the gold laver for washing. We also learned about the garments of the high priest. We tried to find some of the applications of each to our worship of God today.

Thanks as always for the privilege of building into your children's spiritual lives!
