

God Promises to Save His People
Exodus 2:16-6:13

Dear Parents,

Today we learned about God's plan to save His people as He called Moses to lead His people out of the slavery of Egypt. We enjoyed acting out Moses encounter at the burning bush where Moses learned of God's holiness and His love for His people. We learned that even though Moses was afraid, even though he had sinned, God called him and used him. We began learning The Moses Song, which sets this Bible truth to music. We also had fun creating our own burning bushes.

As we plant gospel seeds week by week, our desire is to join you in telling your precious children the "glorious deeds of the Lord, and his might, and the wonders that he has done" Psalm 78:4. We want them to know that God's words are true, His promises perfect, that He alone is the source of salvation and protection for His people and is therefore worthy of all worship. We want them to know the deep love of Our Lord Jesus for them as individuals so that they will ultimately put wholehearted trust in His power to save them.

We count it as a great privilege to be with your dear ones week by week as we come along side you in planting Gospel seeds for the Lord to grow. If we can help you in any way please let us know.

To God Alone Be the Glory,
