# Living Set Apart Lives: In What We Worship

Panelists: Jennifer Thompson & Susan Warner

Moderator: Bowie Campbell

Objective: to see idols for what they are—enslaving and a snare (Exodus 23:33)  
And to discover true freedom found in worshipping God

Idol: Anything (usually good things) that has become more fundamental than God to  
your happiness, meaning in life, or identity

Additional Resources:

Counterfeit Gods, Tim Keller
