What are Life Groups?

At Cool Spring, we see a Jesus follower as one who loves God and loves others, by abiding in relationship with Jesus and modeling his life and mission. One of the primary ways we see this taking place is through our Life Groups. Life Groups are small communities of people (10-15) who seek to grow as a family of disciples who make disciples.

They gather regularly and focus on three things:

♦ Linking as a family

To be a part of a life group is to be a part of an extended family. This family is a place to know and be known, and to show others what the Kingdom of God looks like by the way we care for and serve one another.

♦ Learning as followers of Jesus

Life Groups gather together to hear what God is teaching and calling us to be and to do. We are committed to not only learning the way of Jesus, but to helping each other live it out every day.

♦ Living on mission

Through the leading of the Holy Spirit, we seek to show and tell others the good news of Jesus. We do this individually, wherever we are, and collectively, to serve others and share the love of Jesus.

Your Next Step

Your next step toward learning more about life groups, meeting people at Cool Spring, and getting connected to the right group is to register for a Life Group by scanning the QR code on the back or going to coolspring.org/lifegroups.

If you have any questions, please reach out to Wendy:
wshaw@coolspring.org.
