OUR PRIORITIES

WORSHIP As those who are blessed to enjoy a relationship with God by grace through faith in the Lord Jesus Christ, we regularly gather in worship for the purpose of giving honor to Him.

GROW Because the heart of Christian growth (discipleship) involves putting God's Word into practice in our daily lives, we offer several opportunities each week to study the Bible with a view toward life application.

CONNECT Knowing that every person needs loving friends with whom to share life's joys and sorrows, we offer a wide range of Life Groups in which honest, supportive friendships can be established and maintained as we encourage everyone to experience church life together.

SERVE Understanding the biblical principle that every true Christian is to be involved in ministry to others, our goal is to help each person discover his/her spiritual gift, become better equipped to serve, and then find a meaningful place of service in the church.

SHARE Believing God loves all peoples and Jesus died for the entire world, we seek to motivate, equip and involve ourselves in reaching out with God's love to others in our respective spheres of influence and through our missions outreach around the world.
