

## Pray for always:

- ☐ **God's blessing on the President** and all those in leadership in our nation, state and city.
- ☐ **All members of our staff** as they seek to honor the Lord in their respective ministries.

## Missionary focus of the week:

- ☐ Kara Lantrip, serving in Mozambique.

## New Prayer Requests:

- ☐ **Tracy James' daughter, Kaylee**, who has to be taken to Riley on April 4th for some testing to determine whether or not she has a chromosomal disorder.
- ☐ **Daniel Hart's dad, Steve**, collapsed and doctors found two large blood clots in his lungs. He underwent surgery on March 16 to remedy the clots. Please pray for success of the operation and smooth recovery.
- ☐ **Jerry & Linda Redenbarger's son, John**, who has a disease called myelodysplastic syndrome. His medication is no longer working and he has been referred to St. Francis Hospital for a bone marrow transplant. Please pray for a perfect match donor to be found soon and for a successful transplant.
- ☐ **Chery Thorpe's daughter, Sarah**, who had surgery on March 9. Please pray for her recovery to go smoothly and quickly.
- ☐ **Linda Welter**, who is slowly recovering from Covid and post-Covid related health issues. She is on oxygen and having home rehab but feeling better. This healing process will be slow and continued prayer is appreciated.
- ☐ **Ben Moore**, who has been diagnosed with an aortic aneurysm. Currently, surgery will not be needed. He is making lifestyle changes and is working towards lowering his blood pressure. Please pray he will be disciplined in the changes he needs to make.
- ☐ **Judy Seip**, who is recovering from a knee injury in Florida. She is making progress and hopes to be free of any pain in 2-3 weeks. Continued prayer for a full recovery is appreciated.

## On-going Requests:

- ☐ **Joseph Dulin, the ten year-old son of Joel and Sarah Beth**, who struggles with PTSD and ADHD due to trauma that he experienced when he was young. Both his school and parents have seen some improvements. Please continue to pray for Joseph to as he is taking some baby steps forward.
- ☐ **Sasha & Olga Skrypak and their children**, who are Ukrainian nationals and missionaries in Kyiv. Their ministry in Ukraine has helped evacuate more than 3,000 people. Please pray for their family is having to live apart due to the war from Russia. Pray for Olga and the kids as they go to school here in the States this year and for Sasha as he continues their mission in Ukraine.
- ☐ **Barb Zazas**, who has Stage IV adenocarcinoma lung cancer. We are praising God that the targeted therapy is working, the effusion is drying up and the tumor has shrunk! Continue to pray for the tumor to continue to shrink. Barb is thankful for God's graciousness towards her.
- ☐ **Terri Gent's mother**, Rosalie Brooks, who has had cancer in both of her lungs. Please pray for her to gain strength and energy.
