

CALVARY
CHRISTIAN SCHOOL

· Preschool · Elementary · Middle School ·

Dear Prospective Families,

On behalf of the Calvary Christian School community we would like to thank you for your interest in joining our school family for the upcoming academic school year!

It is our pleasure to share with you the devoted people and exceptional programs we have to offer. We desire to attract students who have a cooperative spirit, respect Christian values and authority, and demonstrate diligence and perseverance in their studies. Our desire is that our school provides a safe environment and is accessible to all with the cultural, ethnic and economic diversities that mirror the world in which we live. Calvary Christian School provides the opportunity to participate in challenging academics and diverse enrichments rooted in Christian values.

In order to become familiar with our school, we invite each family to schedule a personal tour to experience life at CCS. During this time, we will share what it means to be a part of the CCS Family and how we partner with families to “Sharpen Minds & Transform Hearts.” We believe strongly in the amazing capacity for children to learn and grow in knowledge and wisdom when they are planted in the fertile soil of Calvary. Every child, and every family, comes with particular gifts and needs so we seek to begin every family relationship by listening.

We understand the importance of understanding what motivates, challenges and inspires each student. Our Family Interview is an opportunity to meet with our Head of School, Mr. David Seidman. Success at Calvary is often a factor of student and parent engagement in the process of learning, therefore, this interview will be a conversation about what motivates, what challenges, and what inspires the student.

In His Grace,

Nicole Boyce

Director of Admissions | K-8th
