1061 OPERATION CHRISTMAS CHILD SHOEBOXES!

Thank you for packing 1061 boxes! That's 1061 precious children who will hear the Good News of Jesus Christ! A huge thank you to all who packed shoe boxes, packed cartons, sorted and organized items, worked in the central drop off center, donated items and money, prayed and encouraged, did the math and just flat out helped us make our goal! A HUGE thank you to FBC youth, deacons and college who loaded cartons onto two giant trucks with an estimated 27,920 pounds of shoeboxes! You all are amazing and we are so grateful for each of you! For our second year as a Central Drop Off location, and our 12th year as a Drop Off, we collected 8594 boxes! We are grateful for all the churches, groups, families and individuals who packed a shoebox! You are truly helping to take the Good News of Jesus Christ around the world!
