

BOM Prayer Requests

August 10, 2026

General Requests:

BIBLE TEACHERS CONFERENCE – On August 25th, there will be a conference for Baptist Bible teachers from across Hungary. Pray for their gathering at the Szigetszentmiklós Baptist Church, that the Spirit of the Lord would come upon them and fill them with strength for the 2026/2027 school year to teach children God's truth. Pray for the speakers and leaders of the conference to be obedient to God and speak boldly.

BOM Team - Pray for the BOM Team, Tünde, Alicia, and Otto. Pay that:

- God will give wisdom as they finalize plans for the new school year.
- God will be glorified and the upcoming medical team visit to Romania will serve local people.
- Pray that the BOM Team will be a testimony to the people they meet and help.

Requests by Location:

BALATONLELLE – Last week, the church plant group, along with a team from Baptists on Mission, enjoyed a blessed camp. Five families from the community welcomed the team into their homes. Pray for the growth of the church plant, as many families had a blessed encounter with the church this past week.

CSEREPKA (PÉCS) – A very blessed camp was held in July, and the school chaplain, Péter Rostás, was encouraged. Pray for deeper relationships for him with the teachers, students, and families. The families the team visited were very open and eager to get to know the team better. Pray for the school principal, Dr. Attila Szabó, that his heart may be open to the things of God.

KÓTAJ – Not only was there a blessed camp this summer at the school, but the team also held a full camp at the preschool. The pastor from the nearby city's Baptist church, Daniel Papp, is holding monthly small-group services for a few ladies in the community who are believers. Pray for the women who attend – Erzsébet, Tünde, and Csilla. They need God's strength to grow spiritually. Csilla, especially, is in a difficult situation and needs to feel the nearness of God's love. Also, pray for the church plant effort in the community so that God would open the hearts of the people to Him and His word!

NAGYHALÁSZ – The school recently received a permit to switch the buildings for the middle/high and elementary students. Pray for the move to be quick and uneventful. Also, an elementary teacher has left, and a new one has been hired. The faith-life team leader is retiring in October of this year, and this change will significantly affect the spiritual work within the school. Pray for the door for the gospel to remain open wide throughout these transitions!

VELENCE - Pray for the new principal, Mónika, that the transition would go smoothly in every area and that the Lord would give her wisdom, strength, and grace in this new responsibility.

Please also pray for Zsóka Papp Sándorné 's granddaughter, asking God to bring continued progress and development in his granddaughter's life. His specific request follows:

"I'd like to share some information about my granddaughter, Nara, for whom many people have prayed. She was hospitalized several times because her neutrophil count, a component of the immune system, was very low. Because of this, she was always given antibiotics through an IV whenever her fever rose above 38.00 degrees. The site of the IV catheter insertion became inflamed and even developed an abscess. I'm confident this is over now! We're so happy that her neutrophil count has increased!

There's a proven medication for the seizures that they're taking. Since her hands and feet were often bandaged, her motor development stalled because it was painful for her to support herself and bear her own weight. She turned two last week.

Pray that her motor development accelerates so that she can crawl, walk, and play active games."

NYÍRBOGDÁNY – The principal and school secretary are believers, but they have drifted from God. As the school year begins, please pray that God would bring a revival in their hearts so they can be His light to the staff, students, and parents. Also, remember Erzsó and Icus, two retired cleaning ladies. They attend the church in the city. Pray that their lives will be testimonies in the village and that God can grow His kingdom through them there!

NYÍRADONY – In this spiritually difficult, needy community, the pastor of nearby village churches is also the school chaplain. He is suffering from burnout. May the Lord revive and strengthen Him.

During this summer's camp, the town's mayor was touched by the North Carolina team's kindness and openness, and now the mayor is willing to maintain a relationship with them. Pray for his salvation.

VÁSÁROSNAMENY – The principal of this High School is eagerly awaiting a team from North Carolina to provide her students with a camp of their own. Pray for God to keep this door open and to send a team ready to serve them next summer!

HAT (Ukraine) – Thankfully, the summer camp was very successful! The pastor and his wife, who serve there, are not only struggling with the war, but also the wife's brother-in-law has stage 4 lung cancer. Pray for God's peace for the pastor and his wife and for the healing of his wife's brother.

DIÓSZEGI (Debrecen, Hungary) – This high school has been waiting for 3 years for a team to provide a summer camp. Pray for God to call the right church from North Carolina to reach these spiritually needy students.

DR SOMOGYI - for the Kolos family, especially as Kolos steps into new responsibilities. He is no longer serving in the youth ministry and is becoming more deeply involved in the school ministry. Pray that the Lord gives him wisdom, strength, and clear guidance in these new opportunities.

CSEPEL (Lajta Laszlo) - We give thanks to God for the success of the first camp! Please pray that the Lord continues to bless the children and teachers who were part of it. Pray also for the beginning of the new school year, that everything would go smoothly and that God would guide and strengthen everyone involved.

TISZAROFF - For wisdom and guidance as plans are being considered for next year's American camp to include a preschool section. Pray for the Lord's direction in developing this opportunity and for unity among the teachers as they work together.

TÖRÖKSZENTMIKLÓS -Please pray for a young boy who is currently ill (he is fighting cancer, and he has already undergone multiple treatments), asking the Lord for healing and strength. There will also be a leadership transition, with Vali becoming the new principal. Pray that the transition goes smoothly in every way and that God gives her wisdom for this new responsibility. Pray also for a stronger relationship between the church and the school. Please remember the Beke Laci family in prayer and ask the Lord to give Laci wisdom and guidance as he begins the new school year and considers his responsibilities there.

KIGYOS (Ukraine) - I don't have specific updates... but I can say the summer camp went really well, according to the team's feedback.

SEREGELYES-SAROSD - Pray for Daniel's ministry at these schools for the upcoming school year.

SZÉKELYHID (Romania) - Praise that on the first Sunday in August, four young girls in the village church of Csokaly gave their lives to Christ! Pray for this community as they need to expand their small building to house the growing congregation.

Pray for the brothers in leadership after the loss of a dear leader, Joseph, especially for Jimmy, the pastor, and newly ordained Sebastian, co-pastor. Continued to pray for assurance of god's love for the grieving family.
