## STUDY CLASSES

February 4 - May 13

UTC 2026

UTC is the University of Transformation at Cornerstone - where we study God's Word, learn the spiritual disciplines to grow closer to Christ, and apply His truths to transform our daily lives.

Read the class descriptions being offered for the Spring 2026 semester, then select the class you would like to participate in. The registration section is listed below the descriptions.

### **A Women's Discipleship Study**

**Shenika Lewis, Instructor**

**\$10 Book Fee**

For many women, sexuality has been shaped by a mixture of silence, expectations, personal experiences, and unspoken assumptions, often more than by Scripture itself. Some learned early what was "allowed" or "forbidden," but were never invited to understand God's heart, His design, or His redemptive purpose. Others carry questions, tension, or quiet struggles they've never known how to bring into the light.

This 11-week discipleship study is open to **both single and married women** and is designed to be a thoughtful, grace-filled space for spiritual formation. Together, we will examine long-held beliefs and allow God's Word to speak clearly and compassionately into an area that deeply shapes identity, relationships, and faith. This is not a space for pressure, comparison, or quick answers. It is a space for truth, reflection, healing, and growth.

Whether you are single, dating, engaged, or married, and no matter what your story includes, you are welcome here. Come ready to listen, learn, and be shaped as we explore God's design for sexuality with honesty, wisdom, and grace.

### **Acts and Selected Pauline Epistles**

**Dr. Edsel Dureus, Instructor**

**No Fee**

This course explores the book of Acts and selected letters of Paul, focusing on their biblical theology, literary genres, and practical application. Students will study key events in the birth and growth of the early church and gain an understanding of each book's historical background, structure, purpose, and message. Emphasis is placed on learning how to read and interpret different biblical genres and seeing

how these writings fit within the broader story of the New Testament. The course encourages spiritual formation, Christlikeness, and discipleship by equipping students with biblical skills for faithful living and teaching others. Class sessions include discussion, guided interpretation, and interaction with the instructor and fellow students.

### **The Five Love Languages      Chris and Melissa Crocker, Instructors      \$10 book fee**

Falling in love is easy. Staying in love--that's the challenge. How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? Words of affirmation, quality time, gifts, acts of service, physical touching - learning these love languages will get your marriage off to a great start or enhance a long-standing one! In this study you will get an explanation of the purpose of each "language" and you'll see how to identify the one that's meaningful to your spouse now.

### **TRANSFORMATION BASICS      Rev. JP Wilson, Instructor      No Fee**

On the spiritual journey of Life in Jesus it is wise for us to go back to basics. Go back to where it all began, Go back to our first love. We need the basics! Jesus mentions this sentiment to the church in Ephesus when he said, "I have this against you: You have abandoned the love you had at first." (Revelation 2:4). He encouraged the church to go back to where it all started. When we realized God's love for us and our love for Him!

In TRANSFORMATION BASICS Pastor JP Wilson explores the basics of our journey in Jesus for the Kingdom of God in 8 Weeks. Let's invest in our transformation to be like Jesus.

## MINISTRY OPPORTUNITIES

### **GOD IS: The Names of God**                      **Book Fee \$0**

#### **Wednesday Women's Daytime Study@11am Vera McKissic & Carolyn Thornton, Instructors**

Explore the depths of divine revelation with "God Is: The Names of God," a compelling Bible study for those seeking a deeper understanding of the sacred.

Our names are important to us. The first question we often ask a person is "What's your name?" As we get to know people, their names become more than just words or a name tag; they bring to mind the personality and character of the person.

In the same way, the many names of God revealed in Scripture tell us much about who He is. Those names invite us to know Him in a growing, intimate relationship. In this Bible study you will examine six of those names more closely. In doing so, we'll get a glimpse of the infinite character of our loving God.

This class is held in person and on Zoom. This class is the daytime study for women only.

**Location: Conference Room 2nd Floor**
