Volunteering with Berean Kids

We love our volunteers and always need an abundance of them to serve in Berean Kids! This is a unique opportunity to help kids become resilient disciples for Jesus! If you are interested in serving, contact Nicole Mowry: nicolem@bereanbaptist.com.

Toys from Home

Kids love their toys! We love them too! But we kindly ask that kids do not bring their personal toys into the classroom, unless there is a special need for them. Thanks for your help and understanding.

Drink & Food in Classrooms

We kindly ask that kids do not bring drinks or food into BK classrooms. We want to prevent spills, envy, and food allergy reactions. The exception to this is water bottles and bottles for babies. Thanks for your cooperation!

Restroom Breaks

To reduce the number of kids needing to use the restroom during BK programming (Wednesday & Sunday), please take your child to the restroom before dropping them off at their classroom. We appreciate it!

We're Praying for You

Each week when the Berean Kids team meets, we pray for BK families and volunteers. If you have something that you'd like us to pray for, please email [Becky](#) or tell one of our BK staff so that we can be praying for you!
