

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

- Have you ever seen God do something amazing? What was it?
- When is a time you saw God answer your prayer?
- God hears our prayers for others! What does that show us about God?
- Who are some people in our lives we can pray for?

Prayer Photo Album

God encourages us to pray for one another, and He always hears our prayers for others. As a family, think about some people in your life you'd like to pray for—maybe other family members, friends, neighbors, leaders in your city, etc.

Together, create a photo album of all of the people you'd like to pray for. Some ways to do this are to print actual photos of them, draw pictures of them, or create an album of digital photos on a computer or smartphone.

If you have pictures or drawings, you could glue the photos onto construction paper and create a booklet, or you could punch a hole in the corner of the photos and secure them with a loose-leaf binder ring. Consider displaying the photos on your fridge or somewhere you'll see them often.

Each day, go through your album and pick someone to pray for as a family. Know that God hears your prayers for others!

Prayer "Walk"

God has placed so many different people in our lives, and we don't always remember to pray for them. Consider going on a prayer walk—either physically or in your mind—and pray for people you encounter each day.

If the weather permits, go on a family walk in your neighborhood. As you walk by homes, pray for the people you know. Pray for your neighborhood and the people who help take care of your city.

Or consider going on a drive together. As you drive, pray for people at the places you pass—your school, your work, the people who work at your grocery store, etc.

You can even do this in your own home. With your family, "walk" through your day in your mind. Who are the people you all interact with? Take time to pray for them together!
