MEET LACIE ROSS TEEN LEADER

Lacie has been serving with FM KIDS for over a year and she is great at bringing a bubbly spirit into the classrooms with the kids and leading them in worship. Lacie said, "I love serving with FK KIDS because they are so sweet but also because I get the opportunity to share my love for Jesus by teaching and helping them learn more about God and become closer to Him through worship. It is amazing to be able to watch these

kids worship and dance while being passionate in their praises to God. I enjoy serving with the kids to help them grow in their faith and I am thankful that I am able to do so." We are thankful to have Lacie on our worship team on Sundays and sharing her love for Jesus in the classroom.

Monthly Overview

We often think about respect in terms of vertical relationships we have with others—respect for parents, teachers, and people in authority. Those are important, but equally important are the more horizontal relationships we have with people, like siblings, friends, and even people we may not get along with. This idea of valuing others and having mutual respect is seen all throughout Scripture and is a necessary way to communicate with others and demonstrate God's love with them. We see throughout Scripture that all people have value because they were created in God's image. God values us and wants a forever relationship with us. God sent Jesus to make that possible. We follow God's example when we show others that they have value too.
