# A VISION *for* MOTHERHOOD

*with GraceAnna Castleberry*

## Christ Our Hope In Life and Death

What is our hope in life and death?  
Christ alone, Christ alone.  
What is our only confidence?  
That our souls to him belong.  
Who holds our days within his hand?  
What comes, apart from his command?  
And what will keep us to the end?  
The love of Christ, in which we stand.

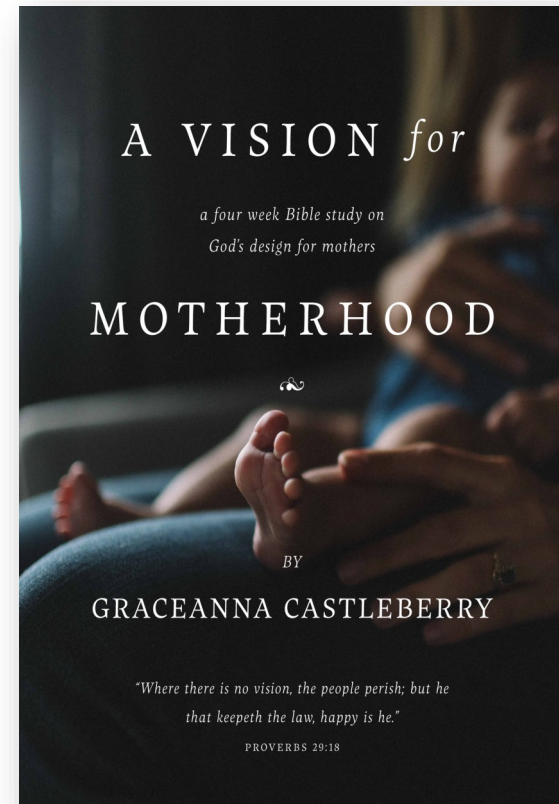

**O sing hallelujah!  
Our hope springs eternal;  
O sing hallelujah!  
Now and ever we confess  
Christ our hope in life and death.**

What truth can calm the troubled soul?  
God is good, God is good.  
Where is his grace and goodness known?  
In our great Redeemer's blood.  
Who holds our faith when fears arise?  
Who stands above the stormy trial?  
Who sends the waves that bring us nigh  
Unto the shore,  
the rock of Christ?

Unto the grave, what will we sing?  
"Christ, he lives; Christ, he lives!"  
And what reward will heaven bring?  
Everlasting life with him.  
There we will rise to meet the Lord,  
Then sin and death will be destroyed,  
And we will feast in endless joy,  
When Christ is ours forevermore.

So many women do not have a vision of the glorious calling of motherhood. They are trying to mother without a biblical perspective from God's Word and are discouraged. The culture is saying we don't need to talk about the value of motherhood. The lines between men and women are completely blurred, and there isn't much encouragement regarding making your husband and children a priority. Likewise, the church is talking about motherhood less and less. In doing so, it is minimizing its value and not helping women understand what God's Word teaches about this foundational topic.

Regarding biblical mothering, we need more than sample nap schedules, child-rearing tips, or empowering mantras; we need a vision for motherhood. God's Word presents a vision so much greater than we could ever think up on our own. It's bigger than motherhood and encompasses everything we need to know about being a mother because this vision will lead you to the God who called you to be a mother. He is always enough and calls us to trust Him with every aspect of our lives.

While readily applicable to mothers, this study has been written to be relevant to all women in the church as every Christian woman, regardless of her season of life, needs a vision for motherhood.

The Bible Study is currently divided into four weeks, designed to be completed in a month or bimonthly. Perfect for individuals, one-on-one discipleship, or small groups.
