Fall Woman's Life Discussion Questions

Message 2

Allow time to read the Scripture, support your answers from the text, and discuss how its truth should shape your lives. Ask yourself: "What does the Scripture say that supports my answer?"

1. From Luke 8:40-56: How does Jesus show His care for the hemorrhaging woman and Jairus' family? What can we learn about trusting God and His timing?

2. From Luke 10:38-42: What distracted Martha from what mattered most? How can we keep serving without losing sight of the Lord?

3. From Luke 20:45-21:4: What does Jesus notice about the widow's gift? What does this teach us about giving and caring for others?

4. From John 11:1-6 and 17-27: What does Jesus teach Martha about Himself? What can we remember when God does not answer as quickly as we hope?

5. From John 11:28-44: What do Jesus' tears and His raising of Lazarus teach us about His compassion and His power?

6. From Luke 10:39; John 11:32; John 12:1-8: What do we learn from seeing Mary at Jesus' feet three times?

7. From John 12:1-8 and Mark 14:3-9: Why did Jesus praise Mary's gift when others criticized it? What can we learn from her example?
