

WEEK 3: HEARING GOD THROUGH HIS WORD

Big idea: God gave us His Word and His Holy Spirit as the means by which he guides, encourages and teaches us.

Scriptures: John 1:1; John 1:14; Matthew 1:22-23; John 14:25-27

1. How does Jesus reveal to us who God is and why does that matter?
2. How is your spiritual GPS doing today? How can we recalibrate it to God's voice instead of our own internal dialogue or lies of the enemy?
3. What is one way you like to spend intentional time with the Lord in His Word?

Practice: Level up your quiet time! What can you do to make your quiet time extra special? Secondly, pick one passage from scripture to commit to memory and share it with your group next week.
