

WEEK SIX: THE COST OF HIS LOVE

Big idea: Your best love requires your best giving.

Scriptures: John 3:16; Ephesians 1:3-6

- 1. God's plan for redemption in Christ was established before the foundation of the world. How is that proof of God's powerful generosity?**
- 2. Many of us have heard John 3:16 many times. How are you seeing this verse with fresh eyes today?**
- 3. If it's not part of your daily life, how can you make giving part of your daily rhythm? And how can you be challenged to give your best?**

Practice: Christmas is a beautiful season of generosity, but our culture reshapes it with wish lists and things that we think we want. What would it look like to share a blessing generously and sacrificially with someone who didn't ask? Choose one person to bless and share your experience with your group after the holiday season.
