Immanuel Lutheran School, Giddings *Inspire, Learn, Care, Serve*

Open House Invitation/Registration

We are already planning for next year and would love to show you what we have in mind. You are invited to an Open House to be held on Tuesday Jan. 31 from 6:00-7:15. This is an opportunity to meet our teachers and speak with Mr. Wolfgram about school plans for next year. Enrollment for next year opens on Feb. 1. Current Immanuel students have the first option, but on Feb. 15 enrollment opens for any applicant. We would love to talk with you more about how we are impacting young lives with the Gospel of Jesus Christ and about how we are shaping a world view based on the Bible. Current families may want to discuss plans with your child's next teacher. Please share the invite with others.

Faith in Action

Our graduation outcomes provide guidance for our instruction. Spiritual growth is one of the three areas covered in the outcomes. They also align with our church goal of developing courageous Jesus followers. Below is an article from coach Rhonda that demonstrates the progress we are making toward our goals.

The staff has been discussing how to teach our students to live a Christian life outside of the school walls. The topic has centered around service projects and how both students and staff can show God's love to others.

Recently, in health class, the students were asked about things that they did over the Christmas break that demonstrated "love" shown to others. The class told stories of them passing out presents at local nursing homes and volunteering at Rejuvenation and local food pantries. A student even told about how they, with the help of other family members, gathered food items and clothing and distributed the items at several orphanages. TALK ABOUT LOVING LIKE GOD !!!

Earned Success

Some people think success is purely about talent or giftedness. They believe some kids either have it or they don't. Carol Dweck, in her book Mindset shares that our mental and physical abilities can be improved upon if we prepare, work at it, and try different approaches. It is this attitude we are trying to instill in our students. It is exemplified by the basketball teams' success in the Thorndale Tournament. Both teams played hard, exhibited good teamwork and won championships. The girls played a physical game against St. Helens from Georgetown while the boys ran away with their game against Zion Lutheran in Walburg.

Upcoming Events:
