

The background of the image is a composite of two celestial scenes. The upper portion shows a dark blue night sky filled with numerous small, distant stars. A single, exceptionally bright star is positioned near the top center, emitting a prominent four-pointed diffraction pattern. The lower portion of the image depicts a sunset or sunrise, with a horizon line silhouetting dark, rolling hills. The sky just above the horizon is a vibrant mix of orange, red, and pink, with wispy clouds catching the low light. The overall composition creates a sense of vastness and divine presence.
