Important to know:

- The first step is to sign up for a class, which involves taking an English proficiency test to determine your level and the class you will attend. [Click here](#) to request your test.
- Once the English proficiency test results are available, the student will receive an invitation to complete their registration and join a class. The one-time fee of \$30 covers the cost of the student's textbook.
- The number of students per class is limited to 15.
- The class schedule aligns with the Klein ISD school calendar. [Click here](#) to access the calendar.
- The student will receive one class per week. Teachers will recommend students who are ready to move up to the next English level and will administer a new placement test to confirm their progress.
- It regularly takes a student a year to be ready to move to the next level of English, but progress can vary from one student to another.
- Attendance is important. Students must notify their teacher of any absence.

Students will not be accepted if they skip this registration process.
