# Q1 update

JULY – SEPTEMBER 2025

Fiscal Year 2026 began in July, and there’s much to celebrate. God has blessed Asbury with new families joining our church and with the continued generosity of our members. In this update, you’ll also see the number of students enrolled in our Preschool and the new Asbury Classical School. We believe formation happens primarily in the home, the church, and the school—and we view both of our schools as vital to our mission of making disciples in the 21st century. God is good!
