

Baby D Day

10:45 - Arrive in Worship Center lower lobby

(Lobby off the back parking lot)

Enjoy the Photo Booth in the corner, invite family + friends here

Hang in this space until service begins. There will be people here to take car seats, diaper bags, purses, etc. to the Big Room for you.

10:55 - Prepare to line up in "on stage" order

Finish up pics/potty breaks and be prepared with your # cue card to line up

Natalie will be there to call out your number in line + lead you back stage to be ready to walk on stage. Only parents + children being dedicated should be on the stage for dedication (no siblings).

11:00 - Service begins + Dedication portion

We will walk back stage in order during the 1st song + welcome. After the welcome, Pastor Steve will give the church a little info about Baby D, then will call each child + parent's name one at a time. We will be lining up starting at the baptistry side ON the black tape on the stage floor. Once each baby's name is read he will pray over all the babies + parents together. After the prayer, Natalie will be there to lead everyone to the Big Room to the celebration!

11:20 - Celebration begins!

Parents only! Here we will have snacks, gift you a few things, as well as spend some time thinking on your child's future, what we want to do as a church + your commitment to raise them to love Jesus and everyone else. We also ask Dad's to privately pray over your family during this time.

12:00 - Celebration ends + Photo Booth with friends and family

Invite any friends and family you didn't get a picture with + siblings who were in their classes to meet you for pictures together after service back at the Photo Booth in the

Worship Center lobby.
