Host a Friday Night Dinner at Lighthouse Youth Center

Lighthouse Youth Center offers free meals to community youth every Friday during the school year. All campuses need additional Friday Night Dinner hosts to round out the remainder of the year. Not only does this program help feed youth and ensure that they will have a cooked meal that night, but it's also an opportunity for valuable fellowship and helps create a family culture. We invite you and your family, friends, and/or church groups to provide and serve a Friday night dinner at one of our sites. Dinners can be homemade or catered. No matter the meal, this is a valuable aspect of the programming for LYC youth. To get involved, please scan the QR code on the left.
