JOKE of the MONTH

During a Sunday school lesson, a child learned about how God created human beings. The child became especially focused when the teacher explained how Eve was created from Adam's ribs. Later in the week, the boy's mother saw him lying down on the floor, so she asked him what was wrong. His reply was priceless: "Mom, I have a pain in my side—I think I'm getting a wife."

Offering Covenant

Upon the authority of your word, I have given and it shall be given to me, pressed down shaken together and running over.

I am a tither, I bring my tithe and offering today into your storehouse. Therefore the enemy is rebuked, the curse is broken. I live under an open heaven. You pour out upon me such a blessing that there is not enough room to receive it.

We receive jobs and better jobs, raises and bonuses, sales and commissions, benefits and settlements, estates and inheritances, interest and income, rebates and returns, checks in the mail, gifts and surprises, bills paid off, debts demolished, royalties received, my whole family saved and walking with God, perfect health and abundance to walk in divine favor and blessing.

I am blessed going in and I am blessed going out.

All that I do will prosper in Jesus name. Amen
